OFFICE POLICY AND CONSENT FORM

Please remember that we are here to serve you in a comfortable and professional atmosphere. Our goal is to provide you with the very best quality of dental care.

INSURANCE AND PAYMENT POLICIES

- **FEES FOR SERVICE AT OUR OFFICE WILL BE REQUESTED AT THE TIME OF YOUR VISIT.** For treatment involving fees above \$500.00, special financial arrangements may be discussed with our financial coordinator or office administrator.
- For patients with Dental Insurance:
Your insurance is a contract between you, your employer, and the insurance company. We are not a party to that contract. We will file your claim for you at no charge; however, we ask that your deductibles and your estimated portions (20%-60%) be paid as services are rendered. Although we gladly file dental insurance claims as a courtesy to you, any and all account balances are ultimately your responsibility. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover. All insurance benefits are assigned to the Doctor, unless services are paid in full the day of treatment.
- Please note, for your convenience, we do accept VISA, MasterCard, Discover and Care Credit as well as checks and cash.

OFFICE POLICIES

- Your appointment time is set aside especially for you. We ask for the courtesy to the Doctor and to other patients that you keep your scheduled appointments. **If you must change or miss an appointment, we require a 24-hour notice. Cancellations, last minute rescheduling or failure to show will result in a broken appointment charge of \$50, or no reappointment. If more than one family member is scheduled & fails to make their appointment, an \$50 cancellation fee will be assessed for the first individual and \$40 for each family member thereafter. This policy is strictly enforced due to our high volume of patients.**
- Our office will provide confirmation calls and postcards to you. We ask that if we are unable to reach you due to change in your contact information, that you please contact us as soon as possible to confirm your appointment. Failure to do so may result in your appointment needing to be rescheduled.
- We realize that many families are in a state of change. The policy in our office is that the parent who requests treatment for a child is responsible to us for all fees incurred.
- We will be fair in working out special finances with you, but please also be fair to us with your commitments. A 1.5% finance charge will be assessed monthly on all overdue balances.
- Treatment appointments made that **exceed \$500.00 will require 10% down** to hold the appointed time.

CONSENT

I have read and understand all the above information. The undersigned hereby authorizes the Doctor to perform those diagnostic and treatment procedures, including local anesthesia and sedation, deemed necessary. If I ever have any change in my health or change in my medication, I will inform the Doctor before my next appointment. For insured patients, my signature below authorizes assignment of insurance benefits to the Doctor and authorizes the release of dental records to my insurance company.

Financial Policy / X-Rays and Insurance Coverage

The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment. As consistent with applicable laws and the policies of the patient's applicable dental insurance or other third-party payer coverage, we require the following:

All emergency dental services and any dental services performed without previous financial arrangements must be paid for in cash at the time services are rendered.

All dental services are charged directly to the patient and the patient is personally responsible for payment of all dental services, even if the patient carries dental insurance. This office will, as a courtesy, help prepare the patient's insurance forms and may assist in making collections from dental insurance companies, and will credit any collections from insurance to the patient's account.

Fee estimates for dental care can only be extended for a period of six months from the date of consultation.

Payment for services is due at the time of treatment.

Charges for services shall be as billed unless objected to, by the patient, in writing, within the time payment is due.

We will recommend that certain x-rays be taken on a periodic basis (usually every 6 months) as they may provide important diagnostic information to detect early stages of decay and other oral diseases. Each insurance policy varies on coverage of x-rays, and the x-rays we recommend may not be covered by your insurance policy. We encourage you to know and be aware of the x-ray policy of your insurance carrier. If you should choose to decline having x-rays taken that we recommend for you, please notify us before they are taken.

IF YOU ARE PREGNANT, YOU WILL NEED TO PRESENT A CLEARANCE FROM YOUR OB/GYN BEFORE ANY X-RAYS ARE TAKEN OR TREATMENT IS COMPLETED.

CONSENT

I have read and understand all the above information. The undersigned hereby authorizes the Doctor/Hygienist to perform those diagnostic and treatment procedures, including local anesthesia and sedation, deemed necessary. For insured patients, my signature below authorizes assignment of insurance benefits to the Doctor and authorizes the release of dental records to my insurance company.
